- Length - 934 mm
- Width - 420 mm

\*wardrobe

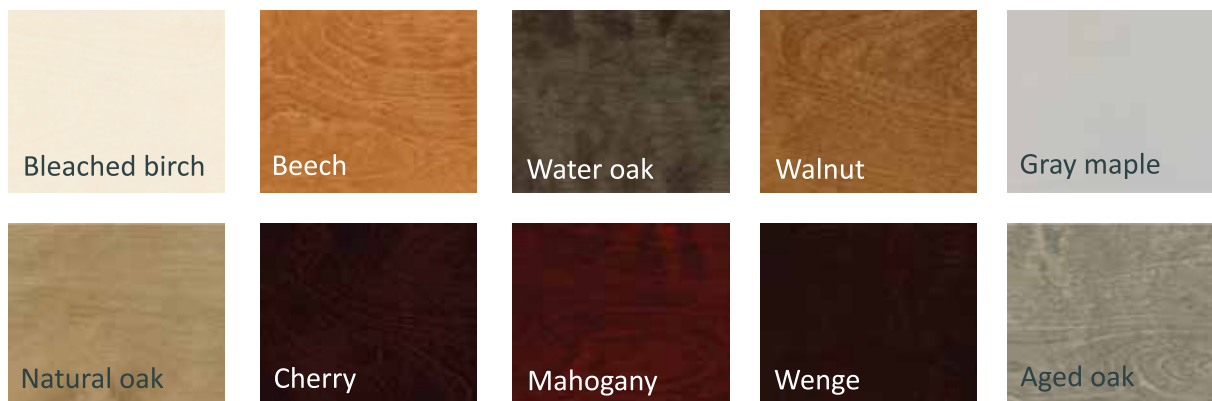

# Perforation

To improve the acoustic properties in the room, we offer to make perforations in the furniture facades with a distance of 16 mm or 32 mm between the holes.

# Finish

For the processing of furniture surfaces and facades, we offer coating of various materials - artificial and natural chips, plastics (including Fenix NTM), as well as wood stains and shades of your choice.
