

# UK visitor chair

Visitor chairs are made of curved glued birch plywood parts and are mutually connectable. Choose the desirable shade or colour for the chair finish, as well as the fabric or artificial leather for the seat finish. For office, meeting, conference, assembly, waiting and other public rooms.

Visitor chair UK has been appreciated by our customers for many years.

# Size

Height - 802 mm

Length - 546 mm

Depth - 639 mm

# Fabrics

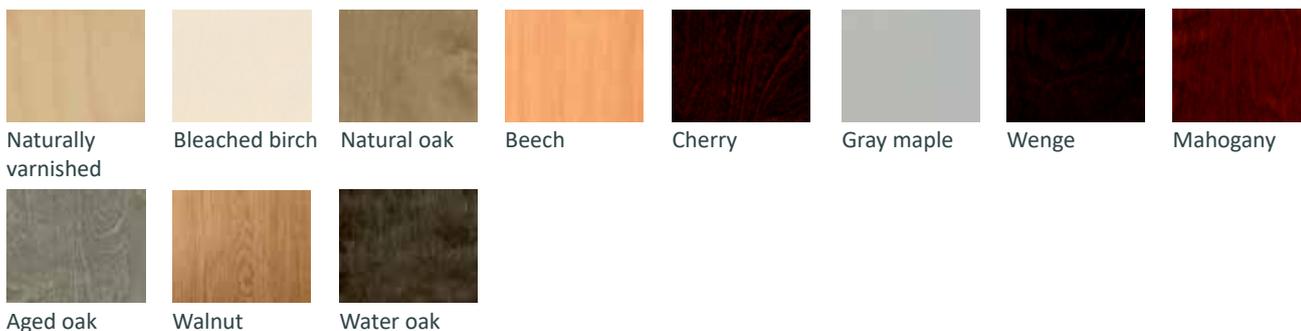

Chair seats can be covered with fabrics of different colors and artificial leather.

The availability of fabrics needs to be agreed before placing the order.

# Shades

For chair finish, we offer standard shades of wood stains and optional colors.
